

Hi, I am a resident of Cape Coral and I am looking to gather petition signatures from Cape Coral residents and business owners, as well as from areas such as Fort Myers, North Fort Myers, etc. We need to get Cape Coral moving forward! We need commercial development and this swim center is a positive start. Please help me!

Attached you will find a petition cover sheet and a petition signature sheet. The petition details are on the cover sheet and it is two-fold:

1. To petition the City Council of Cape Coral to approve and move forward with the National Swim Center project on or before April 26, 2010.
2. To petition the Lee County Commissioners, Florida Representative Gary Aubuchon, Florida Senator Dave Aronberg, and US Congressman Connie Mack to help garner as many Lee County, State of Florida, and United States Government dollars, grants, and incentives as possible to keep the National Swim Center project in Cape Coral.

I am asking for your help if you could:

1. Email the attachments to others you know in the area to have them pass it on as well.
2. Get signatures of your neighbors, family, and friends. Please make sure the individuals are of voting age. If you would like those under 18 to sign to show their support, please do so on a sheet of paper that is not white.

You do not need to get the entire page filled with signatures - but it would be nice. You can then either scan in and email the signature sheet(s) to jcmckayfl@comcast.net or you can call me at 239.549.8946 to arrange for me to pick them up.

If you have any questions regarding this petition drive, please feel free to contact me.

Thanking you in advance, Cindy McKay

SUPPORT THE NATIONAL SWIM CENTER PROJECT!

KEEP IT IN THE CAPE!

The residents of the City of Cape Coral petition the **Mayor and all City Council members** of Cape Coral, Florida to move forward with the National Swim Center project on the proposed site known as the "Academic Village" on or before April 26, 2010.

In moving forward with this project you will:

- increase private/public partnerships
- broaden the City's revenue base
- increase the commercial tax base
- increase the City's exposure with positive visibility

Additionally, the residents of the City of Cape Coral and the surrounding area petition **all of the Lee County Commissioners, State Representative Gary Aubuchon, State Senator Dave Aaronberg, and US Congressman Connie Mack** to help garner as many Lee County, State of Florida, and United States Government dollars, grants, and incentives as possible to keep the National Swim Center project in the City of Cape Coral.

By approving and moving forward with this project you are creating a positive economic impact for our City!

KEEP IT IN THE CAPE!

Thank you for your support!
